Summary

Flutter Developer with 1 year of experience in developing applications. When i was looking for a technology to improve myself i found Flutter&Dart and decided to move on with this techonology. I developed apps for improving myself and for freelance jobs which are for clients and you can find some of repositories to present to you.. Also I did an internship in the field of mobile software development for 6 months.

Work Experience

INTERN FLUTTER DEV. at Piton AR-GE Yazilim

Sept 20/2021 - March 1/2022

I started to put what I learned into practice in this company. I had a good internship period where I was able to implement the applications given for my development and find one-to-one help for the mistakes I had to deal with.

IT & MARKETING at Katay Mak. Müh

Sept 20/2021 - June 1/2022

I had to work , learn flutter and study for finish my school at the same time. So i started to work Katay Mak. Müh. i did their websites and i learned marketing and found clients for this company.
